

Give Where You Live

Who is the Morgan Hill Community Foundation?

The Morgan Hill Community Foundation (MHCF) is a 501(c)3 charitable organization that connects donors with local needs for a lasting impact on the quality of life in our community. Funded solely through local contributions, our all-volunteer organization is dedicated to six focus areas: Arts & Culture, Recreation, Education & Lifelong Learning, Health & Humane Services, Science & Technology, and Environment & Agriculture.

Since we are an affiliate member of the Silicon Valley Community Foundation, a tax-exempt public charity with assets of approximately \$5 billion, all investments with the MHCF are safeguarded by professional financial managers for maximum impact and qualification for the highest level of deductibility under our tax exempt status.

What Does the Morgan Hill Community Foundation Do?

We encourage a "Give Where You Live" philosophy through annual grants, scholarships, fiscal sponsorship of local partners, and more. We also host the MHCF Philanthropy Night each November to celebrate and honor individuals and organizations that make Morgan Hill a model for community engagement. Our track record of giving demonstrates the commitment of the MHCF to a legacy made possible solely through the generosity of local donors.

Ways to Give Now and in the Future

The Morgan Hill Community Foundation works with individuals, families, local small businesses and corporations to evaluate and implement a variety of philanthropic and community investment strategies, including: donor-advised funds, designated funds, field-of-interest funds, annual scholarships, annual grants, unrestricted funds, corporate sponsorships, and events.

Whether an individual or organization seeks to have an immediate impact on the community with a single donation, or a family or corporation desires to have a longer-term impact on the community through an investment fund or recurring gift, the MHCF devises a strategy that's well-matched to the passions of donors and tailored to achieve short- and/or long-term objectives.
